

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

GENERAL RATE ADJUSTMENT IN GAS RATES)
OF COLUMBIA GAS OF KENTUCKY, INC.) CASE NO. 9003

O R D E R

Based on prefiled testimony and the responses to data requests, the Commission has determined that the following items are issues under review in this case:

1. Adjustments to reflect economic conditions;
2. Sales curtailment - projected sales;
3. Lead-Lag study - used for determination of cash working capital;
4. Transportation revenues - expected increases - contractual sales;
5. Proposed revenue and expense adjustments;
6. Test period level of revenues and expenses;
7. Service company services and charges;
8. Purchased gas contracts - purchases of locally produced gas; nominated gas purchases;
9. Cost of common equity;
10. IUS rate schedule (sales to resellers);
11. Cost of Service Study;
12. Forecasted sales test year;
13. Allocation of revenue increase.

Done at Frankfort, Kentucky, this 6th day of August, 1984.

PUBLIC SERVICE COMMISSION
